I received an approval letter for Mr. Thomas' Supervised Release Plan from the Northern District of Alabama. Since he was already denied at the institution in July, we will have to go through the process again or he can file directly with the court. We are all quarantined here for precaution, so I will let him know through institutional mail system.

Ms. Besse,

I wanted to check in on Mr. Thomas's case again. I heard that the Probation office here had signed off on the new release plan. Do you have any information on when we might learn more about the status of his request?
